Hey Rocky River Church,

Giving. It is one of the greatest blessings as a follower of Jesus. Paul reminds us of what Jesus said, *"It is more blessed to give than to receive."* Those who have made giving as part of their Christian journey can attest to the beautiful reality of that simple truth.

We have recently changed our online giving portal to a state of the art online contributions portal to enable our members more flexibility and ease in giving. As technology has advanced, we now can give with greater security and confidence than ever before through this simple tool.

I want to encourage you and your family to consider trying the online giving we have setup on our website. I believe you will find it to be a tool that will streamline your giving back to God and allow for simple tracking of all you have given throughout the year. Giving is a joy and an honor. So as you make giving a part of your walk with Jesus, consider trying out the new online giving feature on our website www.rockyriverchurch.com.

Before you register for the new system, please ensure that your recurring payments are cancelled in the old portal. To do so please follow the instructions below:

- 1) Go to www.rockyriverchurch.com,
- 2) Click on Give,
- 3) Then underneath the green "Click Here To Give Online Today" button you are going to click on the red "Click Here". This will take you to the old processing system.
- 4) Click on "Log In" on the top right hand corner, then sign in.
- 5) Once you are signed in, you will click on "My Account" also on the top right hand corner, and click on "My Recurring Transactions".
- 6) Once you are there, click on the recurring transaction you want to cancel, then click on "Enable" to switch it to "Disabled"
- 7) Click on "Yes", then click on the trash can
- 8) Click on "Yes".
- 9) This will cancel that particular recurring payment. If you happen to have multiple recurring payments, repeat steps 1-8 for each of them.

For the glory of God and advancement of the gospel,

Pastor Jimmy
